Wrightwood Resident Appointed to Fish and Game Commission

SAN BERNARDINO – The San Bernardino County Board of Supervisors today approved the appointment of Tim Glenner of Wrightwood to the County Fish and Game Commission.

“I want to thank Mr. Glenner for offering to serve,” said First District Supervisor Brad Mitzelfelt, who nominated Glenner to the Commission. “Given his background with wildlife, he is going to be an excellent addition to this panel.”

Mr. Glenner, 54, works for the California Department of Fish and Game and has served as a reserve sheriff’s deputy since 1983. He is a lifetime member of several wildlife organizations, including the Society for the Conservation of Bighorn Sheep and Desert Wildlife Unlimited. He is also a lifetime member of the National Rifle Association and the California Rifle and Pistol Association.

“I believe that my insight through on-going volunteer work with Fish and Game and the local wildlife groups can offer an unbiased, well-informed opinion on the best use of the funds available to improve wildlife habitat and support community conservation goals for San Bernardino County,” Mr. Glenner said.

The Fish & Game Commission is administered through the County Special Districts Department, and its primary function is to act as the liaison between the State Department of Fish & Game, the Board of Supervisors and the public. The Commission makes recommendations to the Board of Supervisors on matters pertaining to wildlife in San Bernardino County.

The Fish and Game Commission budget receives funding from fines imposed on hunting, fishing and environmental infractions. These funds are used by the Commission to assist qualified organizations with projects that assist in enhancing wildlife and with its propagation in San Bernardino County.

In 2009, Supervisor Mitzelfelt also nominated and won approval for desert cattle rancher Rob Blair to serve on the Commission. Mr. Blair continues to serve on the Commission.
